We hereby certify that the scrapers 120x85mm no. 37342 delivered by us as far as they are in contact with foodstuff are in accordance with the specifications of regulation

- EC 1935/2004

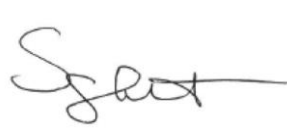

Only the part of the article intended to come in contact with food is decisive for the direct contact with food (e.g. for knives the blade only)! The REACH regulation cannot be confirmed, because this regulation does not concern to the products of our industry, except substances used in the production process.

Our products are intended for short-term contacts. The validity of this certificate is void in case of non intended use of the articles or it's unauthorised modification.

This certificate was prepared on behalf of Klipspringer Ltd and the information included is to the best of our knowledge correct at the time of writing. Klipspringer offers the information within this document as a guide only, they do not represent any guarantee of the prescribed products in the sense of the legal guaranteed regulations. It is the responsibility of the end user to ensure the items purchased are suitable for the intended application.
