

Service and Calibration Return Form

When returning instruments to Klipspringer for service or calibration, please complete this form and enclose a copy along with your consignment. This will assist in completing the work promptly and ensure that your instructions are clearly understood.

Company Name	
Postcode	
Telephone Number	
Contact Name	
Email Address	
Purchase Order Number	

We will proceed according to the instructions that you have already given us but our technicians will not commence additional work without first issuing a quotation and obtaining your permission to proceed (unless already agreed).

Items	Serial Numbers/Notes	UKAS Required*	Temp Points (standard -18, 0, 40, 70, 100)
Repair Calibration		Y N	
Repair Calibration		Y N
